Aim Of Controversial New Book Is Your Success

(NAPSA)—In his controversial and brilliant new book, prosperity guru Randy Gage explores the “mind viruses” that infect people and lead to self-sabotage behavior. Even his title, “Why You’re Dumb, Sick & Broke...And How to Get Smart, Healthy & Rich!” (Wiley), is a wake-up call.

In his book, Gage reveals that the many common mind viruses that are sweeping the planet include:

- Money is bad;
- Rich people are evil;
- It is noble to be poor; and
- Being mediocre or struggling

will allow you to be well liked and fit in better.

Randy Gage has been dubbed “The Millionaire Messiah” because he believes it is a sin to be poor, and you were born to be rich. His “Deepak Chopra meets Dennis Miller” style is bold and brash, but right on target if you want to know the secrets of success.

How shocking, controversial and brilliant is Gage? Here is the author on:

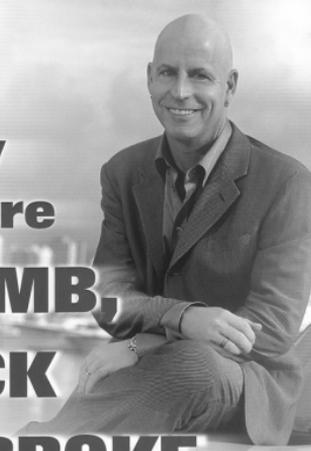

The Movie “Titanic”: “It panders to the fear-based, lack-centered, and limiting beliefs that most people have about money and success. And the more you liked that movie—the more subconscious lack programming you have. I think it’s the most evil movie ever made.”

Selfishness: “Your highest moral prerogative is your own happiness.”

Critics report that Gage’s thought-provoking style pulls together timeless principles of wealth and success, with the practical application of how to make it work today.

In this powerful and groundbreaking book, Randy Gage reveals

Randy Gage

Why You're DUMB, SICK & BROKE...

And How to Get SMART, HEALTHY & RICH! 

Randy Gage has been dubbed “The Millionaire Messiah” because he believes it is a sin to be poor.

the secrets to manifest health, happiness and prosperity in your life, but in a way like you have never read before anywhere. Gage takes the timeless and universal principles of success and applies them to the complexities, challenges and realities of today’s world.

“Why You’re Dumb, Sick & Broke...And How to Get Smart, Healthy & Rich!” takes on all of the people, institutions and beliefs that threaten your health, happiness and prosperity. But be forewarned: Gage is blunt, outspoken and brutally honest. No target is off limit—from religious leaders to the media outlets, from well-meaning family members to New Age self-help gurus. He is dedicated to exposing the insidious role of “memes” (mind viruses) that can infect your subconscious mind and cause you to sabotage your own success.
