An Inviting Guest Room

(NAPSA)—Your guests may think there's no place like your home for the holidays, if you follow a few tips to help make your guest room inviting.

The cleaning experts at The Maids Home Services suggest:

Expecting guests? Make an effort to keep the family pet out of the guest room.

- Dust, vacuum and remove debris from ceiling lights. Use a damp sponge to remove pet fur from the furniture.

- Wash windows and window coverings.

- Leave fresh towels and washcloths out in the guest room, plus a new toothbrush and toothpaste.

- Leave reading material next to the bed. Make sure there is a reading lamp.

- No time to clean up before guests arrive? Consider a maid service. Choose a service that is bonded and has employee accident and liability coverage, such as The Maids Home Services. For more information, visit www.maids.com.
