## An Oasis Of Luxury

(NAPSA)—Looking for a little more togetherness? Try running away from home—together.

To help, there's an oasis of luxury in the South Florida sun with something for singles, couples, families and groups.

**One Florida resort is making a big splash with savvy travelers.**

The first-class amenities at the Doral Golf Resort & Spa, A Marriott Resort, include a European-inspired spa, combining old-world charm with 100 different luxurious treatments.

For an unmatched golf experience, there are five championship golf courses, including the famed Blue Monster, host of the PGA Tour's Ford Championship. These courses challenge, inspire and reward players of every ability.

Then there's the magnificent Blue Lagoon water park, featuring a 125-foot slide, waterfalls, cabanas, beach and boardwalk. There's also a full program of children's athletic and leisure activities.

Located minutes from Miami International Airport, and famed South Beach, the resort has been called an unforgettable experience for a romantic getaway, dream golf excursion or a fun family vacation.
