

## VACATIONS OF A LIFETIME

### “Anything Goes” Trip

(NAPSA)—For fans of club music, there may be no more desirable destination than Ibiza, an island off the east coast of Spain. Now, by entering a new sweepstakes, sponsored by Kahlúa and E! Entertainment Television, it's possible to win a trip to this island paradise for a week's worth of dancing the night away.

Sweepstakes winners will each get a free trip to Ibiza this August, for themselves and three friends. The prize package features first-class accommodations at a luxurious island villa, including a private chef, stocked bar, in-house DJ, chauffeur and VIP tickets to the hottest clubs on the island.

Additional prizes include Kahlúa/E! Hot Spot gear. Some winners will also have the opportunity to be featured on “E! Wild On.”

People 21 or older can enter the sweepstakes between May 15 and July 15, 2001, wherever Kahlúa is sold or by visiting Kahlúa's Web site at [www.kahlua.com](http://www.kahlua.com) or E! Entertainment Television's Web site at [eonline.com](http://eonline.com).
