

# Break Out the (Boxer) Shorts – Summer's Here!

(NAPSA)—Don't be caught without your shorts this summer! In the spirit of warm-weather fun, traditional favorite **Open Pit® Barbecue Sauce** is going a little crazy and serving up some cool boxer shorts along with their usual delicious taste.

The high-quality shorts are printed with words that weekend warriors and backyard chefs can relate to—**HOT, SIZZLING, SWEET**—and they're the perfect thing to wear when you're firing up the grill. Look for details on how to get your pair of Open Pit boxers at the end of this article.

Keep the party going at your cookout with the perfect pickle partner—the Vlasic Stork. He may be a classic, but, as you can see, he still knows how to have a good time.

For 60 years, **Vlasic® Pickles** have been a favorite way to spice up a sandwich. There are now over 80 varieties of Vlasic pickles, including Hamburger Dills (perfect on juicy, fresh-off-the-grill burgers) and Sandwich Stackers.

To help you have a great time this summer, here are some tips from Open Pit and Vlasic:

- *Games can add fun and friendly competition. Set aside space for horseshoes, or try something a little more exotic, like bocce (Italian lawn bowling).*
- *If the day is very hot and sunny, make sure there's a shady spot where guests can escape the rays for a bit. If your yard doesn't have many trees, try a patio umbrella.*
- *Have fun! Barbecues and other outings are supposed to be fun, so get preparation out of the way ahead of time so you can just relax and enjoy the flavor of summer.*
