## Free, Easy-To-Use Card Offers Savings at the Pharmacy Counter for Those Who Need Help with Prescription Drugs

(NAPSA)—If you are one of the millions of uninsured Americans without prescription drug coverage, help is now available. The newly introduced Together Rx Access Card can help approximately 36 million uninsured people—80 percent of the uninsured population—save on brand name and generic prescription products.

The Together Rx Access Card is a free, easy-to-use Card that provides approximately 25 to 40 percent savings, and sometimes more, on over 275 brand-name prescription products from some of the world's best known companies, including those used to treat diabetes, hypertension, high cholesterol, cancer, allergy, asthma, arthritis, and depression. Savings are also available on a wide range of generic products.

You may be eligible for the Together Rx Access Card if you lack public or private prescription drug coverage, have an income of up to \$30,000 for a single person or \$60,000 for a family of four, are not eligible for Medicare and are a legal U.S. resident.

The benefits of the Together Rx Access Card may also extend to more than eight million children.

To learn more and enroll immediately for this free, easy-to-use Card, call 1-800-444-4106 or visit [www.TogetherRxAccess.com](http://www.TogetherRxAccess.com).

The Card is accepted at the majority of pharmacies nationwide and in Puerto Rico. Simply
