

MAKING LIFE MORE FUN

Creating Your Own Summer Lounge

*A glimpse of you was all it took,
A stranger's glance it got me
hooked,*

*And I followed you across the
stars,*

I looked for you in seedy bars.

—The Rolling Stones, “Love Is
Strong,” from “Voodoo Lounge”

(NAPSA)—Have you ever
imagined being the manager of a
beachfront bar, mixing up tropi-
cal frozen drinks while beach
bunnies and surfers party in the
sand?

The chimney can add a bit of voodoo flavor to your next summer get-together.

Now it's possible to bring the beach to your place, complete with authentic island flavors that will highlight your next get-together.

The Voodoo Lounge line from Spencer Gifts offers instant entertainment, with accessories to assemble a sandy hot spot, complete with tiki torches and Voodoo String Lights to light up your

The Voodoo Lounge Sand Bar can serve as the focal point of a fun-in-the-sand party.

atmosphere. Available items include:

- Sand Bar—A real 8-ft.-tall bar for the home, to be used indoors or out.

- Drink Specials Blackboard—A place to present your daily blended creations.

- Voodoo Chimney—A voodoo face with a hollow mouth where a virtual flame looks as if it's burning.

- Blinking Backlit Sign—Features a voodoo face to add to the festive feel.

Other Voodoo Lounge elements include glasses, shot glass necklaces, stools, faux wood Tiki Gods and drink buckets. To learn more or to find a nearby Spencer Gifts location, visit the Web site at www.spencergifts.com.
