

“Dark” Delights

(NAPSA)—Dating service consultant Morgan Winter grew up trying to block out visions of finding her parents’ brutally murdered bodies in “Dark Room” (Avon), the

next gripping thriller from New York Times best-selling author Andrea Kane.

Having just discovered that the wrong man was convicted, the police are reopening the case and Morgan is determined to find her parents’ real killer. She hires former NYPD detective Pete “Monty” Montgomery, who

Fans of mystery and of romance can thrill to a new book about a woman determined to uncover the truth, no matter what.

investigated her parents’ homicide 17 years ago.

With little else to go on, he enlists the aid of his photojournalist son Lane to enhance the original crime scene negatives. As Morgan gets closer to the truth, Lane turns out to be all she can count on—and more.

“Thriller readers who prefer a heavy dose of romance will most appreciate this contemporary whodunit,” says Publishers Weekly. Booklist adds, “With complex characters and a suspenseful plot, Kane has created a winning romantic suspense novel.” For more information, visit www.andreakane.com.
