

MAKING FAMILY LIFE MORE FUN

Delightful Way To Save

(NAPSA)—Restaurants, dinner theaters, golf courses, shopping malls, eco-tourism, accommodations, attractions and the arts—whatever you enjoy, a family vacation to one of the world's most popular destinations may be less expensive than you think—with the help of a special card.

Affordable fun for the whole family may be found at a popular destination with help from a special card.

Valid for up to six people, the discount card from the Orlando/Orange County Convention & Visitors Bureau, Inc. can be used at more than 100 different places to save up to \$500. Called the Orlando Preferred Visitor Magicard™, it can be downloaded at orlandoinfo.com/magicard or picked up at the Official Visitor Center, 8723 International Drive (at the southeast corner of International Drive and Austrian Row).

You can also order the card by calling 1-800-551-0181. In addition, you can obtain advice from an Official Travel Counselor, who will provide information and answer questions, by calling 1-407-363-5872 from 8 a.m.-7 p.m. EST any day except on December 25.
