

Designer Treasures That Won't Drain Your Wallet

Rejoice—Even the most finicky fashionista will love the high-end designer brands and gourmet food gift baskets at amazing savings from one well-known off-price retailer.

(NAPSA)—Finding great deals is on almost everyone's holiday shopping list this year. Fortunately, at off-price retailers, your dollar will go a lot further while still buying the brand names that will impress the recipients.

"This season, holiday shopping is all about incredible savings," said style expert Sonya Cosentini. "More than ever, consumers are looking for a way to find this season's hottest gifts at amazing savings." She recommends going to off-price retailers, such as T.J. Maxx, where you can find great deals and fresh new merchandise for everyone on your list.

When department stores and other retailers cancel orders they made last spring for winter and holiday items, off-price buyers swoop in to take the merchandise for less and pass on the savings to holiday shoppers.

So whatever is on their holiday checklists, shoppers at any of the 860 T.J. Maxx stores across the nation can find holiday gifts and attire at amazing savings. You get more for your money without sacrificing brand-name merchandise of all the holiday's hottest gifts, from sweaters to gourmet foods to

toys, accessories and more, so you can still give a splurge at a steal.

Even the most finicky fashionista will love the high-end designer brands found at T.J. Maxx. Designer handbags in endless colors and styles and jewelry from chunky gold bracelets to pearl earrings are always welcomed. For fashion lovers, a cashmere sweater or a trendy cardigan will keep them warm and in style. Choose gourmet chocolates and coffees or spa products for the hostess or teacher.

For the home, don't forget all the must-haves to continue your entertaining traditions, from holiday table linens to serving pieces in warm reds and golds. Holiday decor goes cool this year in shimmering metallic blue and green combinations. Check out the latest ornaments, festive candles and home accents, all at great savings.

This year, take time to find the right gift at the right price for your holiday budget. Feel free to entertain and decorate and know that you did it for less. These small personal touches are what will make this season special.
