

# MAKING LIFE MORE FUN

## Empowerment Through Action And Humor

(NAPSA)—A television show that combines messages of empowerment with action and humor is scoring big with kids, offering endless entertainment with hundreds of unique robot characters.

*Medabots*, which airs Saturday mornings, debuted on Fox Kids as the #1 new season program and continues to score high with young boys looking for action-adventure. Kids can also find a variety of Medabots action figures in toy stores.

Set in the near future, "Medabots" revolves around the super-

charged battling adventures of a group of kids and their unique, high-performance pet robots. Fueled with artificial intelligence and a specialized arsenal of weapons, Medabots compete against each other in exciting Robattles. In this high-tech world, every kid hopes the successful outcome of their playground challenges and backyard Robattles will give them the opportunity to represent their country at the World Robattle Tournament, held every four years.

Youngsters can battle their way through the puzzle below. All 34 words and phrases in the word list can be found in the diagram—across, up-and-down or diagonally, but always in a straight line.
