Family, Food And Tradition

(NAPSA)—Whether you carry on the traditions of your family or invent new ones, traditions give you and your family something to remember and something to look forward to every year.

For many families, it's a traditional recipe, such as one for the warm, rich and comforting flavor of bread pudding on special occasions. Even if you don't have the original recipe, you can find delicious, traditional bread pudding in the supermarket dairy aisle.

Celebrate an old family tradition—or start a new one—serving rich, delicious bread pudding on special and not-so-special occasions.

Made with real milk and no preservatives or artificial flavors, this restaurant-quality dessert has less than 200 calories per serving. Kozy Shack Bread Pudding is available in Cinnamon Raisin, Apple Cinnamon, Peach and new Chocolate.
