

MAKING FAMILY VACATIONS MORE FUN

Family Travel Plans That Pack A Punch

(NAPSA)—When it comes to family travel, children want a vacation that is dynamic, fun and action-packed. Who better to provide this type of adventure than a superhero? Believe it or not, kids depend on their parents to be the “superheroes,” making vacations entertaining and memorable.

The good news is that parents don't need a cape or extraordinary powers to achieve an exciting vacation for the family. Use the following tips to become a “superhero” before your next family vacation:

- **Prepare for the Unexpected**—Superheroes keep helpful gizmos or gadgets in their utility belts to tackle any situation that comes along. Consider carrying a travel-sized first-aid kit on trips and make sure to pack snacks and bottled water. It's important to keep a couple of tricks up your sleeve for the inevitable travel delay—sometimes a simple game of “I Spy” can make time fly.

- **Defeat the Enemy**—The “vacation doldrums” can threaten family fun and lead to squabbles or restlessness. Foil this foe with entertainment or playtime options during downtime.

According to John Lee, vice president of brand marketing for Embassy Suites Hotels®, a great solution to family vacation doldrums is the Spider-Man 2 Web Pack™.

The all-new kids Web Pack was created in conjunction with Sony Pictures in celebration of the new “Spider-Man® 2,” likely to be one of the biggest movies of the summer.

The kids-only Web Pack is available to families staying at Embassy Suites Hotels between May 27 and September 12. The pack is a custom-designed messenger bag with webbed lining and includes a reusable Spider-Man camera with film, Toss and Catch Game, puzzle block picture cube, stickers, a keychain Treasure Keeper with carabineer, plus a six-inch Spider-Man plush toy with suction cups. Boredom be gone!

- **Refuel Those Power Reserves**—Masterminding days of great activities while on vacation often requires excess superpower, so it's important to take time to recharge. Try booking a hotel room with extra space and a separate living room where your kids can play and sleep, leaving you the opportunity to enjoy time alone to rest...perhaps the best way to power-up for the next day's adventures.

With these simple starters, parents can be up, up and away to a successful family vacation.
