

Decorator's Notebook

Find Your Painting Inspiration Online

(NAPSA)—Need a little inspiration for your next home décor project? Visit PaintIdeas.com. It's the destination for inspiring decorating ideas and creative projects for every room in your home.

At PaintIdeas.com you'll find hundreds of easy painting projects—picture frames, candlesticks, doorknobs, bookcases, mailboxes, planters and more! Visit the Idea Gallery to learn how an easy crackle technique can transform a flea-market find into a stunning vintage chic accent—or how to create frosted glass mirrors in just minutes. Give your home a quick makeover with simple accent pieces like brightly colored shelves or trays. Or create chalkboards in unexpected places—like tabletops. The possibilities are endless.

PaintIdeas.com can show you how to make your old patio set look like it belongs on the patio of a European bistro or how to transform an inexpensive plastic pot into a beautiful, rustic planter. Each project contains step-by-step instructions that make it easy to turn an ordinary object into something extraordinary for as little as the cost of a can of paint.

Looking for a rainy day project to do with your kids? PaintIdeas.com features a number of projects that are easy and fun for parents and children to do

Imagine all you can do with a little inspiration from PaintIdeas.com.

together—whether you're looking to fill a few minutes or spend an entire afternoon.

The site also features a Guest Designers section where world-renowned designers have contributed style advice and their own step-by-step painting projects. Get inspired by Angie's affordable paint ideas in her functional and fanciful style. Or take your inspiration from the unconventional, urbane style of TLC's Doug Wilson or the sophisticated decorating ideas of Christopher Lowell.

There is sure to be a PaintIdeas.com project that fits your style—or opens your eyes to the new style in you. Visit PaintIdeas.com and see all you can do with a little inspiration.
