

HOLIDAY HINTS

Gift Card Honors Animal Lovers

(NAPSA)—Growing in popularity with animal lovers is a holiday gift card that provides a unique and meaningful way to honor friends, family, veterinary professionals and others who care about animals and their health.

Animal lovers will like a special holiday card that helps keep pets healthy.

When a tax-deductible contribution is made to Morris Animal Foundation, the entire gift is applied toward animal health studies, and a personalized card is sent to the honoree announcing the sender's thoughtfulness. The 2001 *Holiday Gift Card* features a watercolor portrait of the Foundation's logo animals (elephant, horse, dog and cat) working together to reach for the stars.

A \$15 gift is recommended but no minimum is required. Gifts of \$50 or more receive a 2001 gold-plated commemorative ornament. To make a *Holiday Gift Card* donation, call 800-243-2345 or visit www.MorrisAnimalFoundation.org.

Morris Animal Foundation is the world's largest foundation funding companion animal and wildlife/special species health studies. Since its inception, the Foundation has funded 1,000 humane animal health studies with funds exceeding \$25 million.
