## Gifts From The Heart

(NAPSA)—Not all Valentine's Day gifts can lovingly wrap your sweetheart in fun comfort. Adorable pajamas can feel like a constant hug night after night.

**Snuggly sleepwear is the “purrfect” gift on Valentine's Day.**

This year, there's a bunch of snuggly sleepwear to choose from. Stylish juniors' camisoles and pajama bottoms featuring Tweety and Pussyfoot the cat are now available at Mervyn's to keep girls “puurrfectly” happy at bed time.

Scooby-Doo is warming up silky black boxers with hearts for the special guy in your life.

Now your best girl can sleep like Supergirl in dynamic pajamas featuring the heroine.

You can find this sleepwear at department and specialty stores.
