## Girls' Night In: Broadway Style

(NAPSA)—You and your friends can enjoy a New York “night on the town” without breaking the bank—or even leaving home. Here are some tips for hosting a Broadway-inspired girls' night in:

- **Rent a video of a Broadway show.** Invite your friends with an e-card and take a poll to decide which show to watch. Will it be “Mamma Mia!,” “Hairspray” or another favorite?

**Crunchy Gorgonzola Dip could be the hit at your Broadway party. Find this recipe at [www.NewYorkStyle.com](http://www.NewYorkStyle.com).**

- **Have all attendees bring a tasty snack.** Here's one idea for a showstopping treat: Spread plain whipped cream cheese on a New York Style Cinnamon Raisin Bagel Crisp. Top with sliced strawberries and drizzle with honey.

- **Sing along.** One of the advantages of watching a Broadway show from home is that you can sing along with your favorite tunes.
