Hair For The Holidays

(NAPSA)—Celebrity colorist Beth Minardi shares tips and the latest trends to help your hair be a hit at any holiday get-together:

Holiday Highlights: Make memories with new color and by adding brightness and dimension to various strands of hair with highlights. There are four types of highlights to consider: lowlights, foil,

Highlights in your hair tend to last longer than single-process color, says celebrity colorist Beth Minardi.

baliage or “hair painting,” and Minardi’s signature foil technique known as American Baliage. Ask your stylist to recommend what will best bring out your features. Highlights provide a range of color that gives hair that extra pop. Some gorgeous combinations include:

- Rich medium-brown color with soft caramel;
- Warm red and copper-gold blonde;
- Copper blonde with light blonde.

Let It Shine: To keep your new color looking healthy, hydrated and shiny, use color-protecting products that help repair hair such as Joico’s K-Pak Color Therapy.
