

MAKING LIFE MORE FUN

Heroic Girls Save The Day In New Video Game

(NAPSA)—Video games: They're not just for teenage boys anymore.

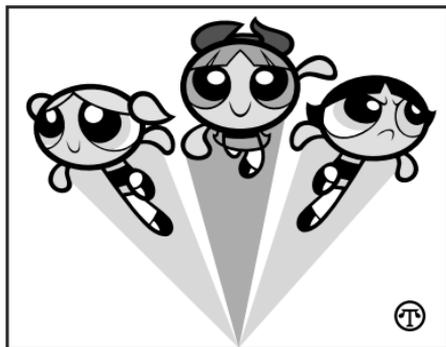

A growing number of video game titles are targeting a more general audience—both boys and girls, of all ages—and creating a sort of digital playground where everyone is welcome.

One way that game companies are doing so is by incorporating characters that have broad appeal, whether they're original creations or inspired by popular television shows and movies. The latest ones to make the crossover—having already achieved success on both the big and small screen—are Blossom, Bubbles and Buttercup, the trio of tots better known as The Powerpuff Girls™.

Just as families are able to enjoy the cartoon chronicles of these pint-sized superheroes together, they can now play out a video game adventure in similar fashion. "The Powerpuff Girls: Relish Rampage™," available for the PlayStation® 2 system, lets players experience the excitement of the TV show as they complete dozens of action-packed missions.

Their archenemy, *Mojo Jojo*™ is fed up with The Powerpuff Girls. He's invented a scheme to put all of Townsville under his mind control: Radio Jojo. But Mojo doesn't realize his sour signals are strong enough to summon an invading race of pickled alien parasites who are taking over.

Players must defeat Mojo and annihilate the aliens before the citizens of Townsville turn into

The Powerpuff Girls depend on you to save the day when you play a fun new video game.

giant pickloids. As Blossom, Buttercup and Bubbles, players battle their way through level upon level of interesting missions and outrageous clashes.

Created by BAM! Entertainment, "Relish Rampage" offers such features as:

- Fight and destroy a host of enemies and villains, including *Mojo Jojo*, *The Gangreen Gang*, *Him* and, of course, the marinated mutants;
- Deploy devastating super-powers, including laser eyes and a host of special moves, more powerful than ever before; and
- Explore a beautifully designed 3-D version of Townsville, including Mojo Jojo's Volcanic Lair, Central Park, City Hall and much more.

"The Powerpuff Girls: Relish Rampage" is available at electronics stores and wherever video games are sold. To learn more, visit www.bam4fun.com.
