

KITCHEN CORNER

ALTHOUGH COOKING IS AN ART, WHEN IT COMES TO KEEPING THE KITCHEN CLEAN, YOU WANT SCIENCE ON YOUR SIDE. THAT'S WHERE **BLANCO**, THE LEADER IN GRANITE COMPOSITE SINKS FOR MORE THAN THREE DECADES, CAN COME IN.

ENGINEERS AT THE COMPANY CREATED A GRANITE COMPOSITE MATERIAL CALLED **SILGRANIT®** THAT OFFERS ROCK-HARD DURABILITY AND RESISTANCE TO HEAT, SCRATCHES, STAINS, BACTERIA, AND HOUSEHOLD ACIDS AND ALKALI CLEANSERS. PLUS, IT COMES IN A VARIETY OF STYLES, INCLUDING TRENDY APRON FRONTS, AND EIGHT COLORS—**ANTHRACITE, CINDER, WHITE, METALLIC GRAY, TRUFFLE, BISCOTTI, CAFÉ BROWN, AND BISCUIT**—IN COOL AND WARM TONES TO ADD NEW BEAUTY TO A STAINLESS WORLD. THE COLORS STAY TRUE, THROUGH AND THROUGH, AND WON'T CHIP OR FADE.

DAILY CLEANING MAY BE DONE WITH ANY NONABRASIVE CLEANSER. AFTER EVERY USE, RINSE AND WIPE THE SINK DRY WITH A CLEAN, SOFT CLOTH TO ELIMINATE ANY WATER SPOTS OR SOAP FILM BUILDUPS. THE AWARD-WINNING DESIGN AND SCIENTIFICALLY PROVEN DURABILITY MAKE THESE SINKS FROM **BLANCO** LOVED BY DESIGNERS AND HOMEOWNERS ALIKE.
