Make Wishes Come True

(NAPSA)—This holiday season, you can help Santa grant special wishes just by writing him a letter.

To bring a smile to the face of a child with a life-threatening medical condition, simply go into any Macy's store before December 25th and write a letter to Santa at the Believe Station or drop off a stamped letter, already addressed to Santa.

Santa says helping others this holiday season can be easy for those who believe.

For each letter mailed at Macy's, the famous department store will donate a dollar, up to \$1 million, to the Make-A-Wish Foundation®. You can download a letter template at www.macys.com/believe or write one of your own.

Macy's Believe Campaign is inspired by The New York Sun's famous "Yes, Virginia, There Is a Santa Claus" editorial from 1897, in reply to a little girl's question about Santa's existence. An animated television special about this heartwarming holiday story, called "Yes, Virginia," is newly available as a DVD and children's book, with 10 percent of the purchase price of those sold at Macy's donated to the Make-A-Wish Foundation, too.
