Movie Highlights

In *A Time To Remember*, two-time Emmy Award winner Dana Delany, three-time Emmy Award winner Doris Roberts, Megan Gallagher (*Blind Obsession*) and Academy Award and Golden Globe winner Louise Fletcher combine their considerable talents in a powerful drama about a daughter torn between past and future and a mother on the brink of losing both.

In the original movie, *A Carol Christmas*, Tori Spelling stars as Carol Cartman, a high-powered, egomaniacal TV talk show host whose personal life has suffered on her climb to the top. On Christmas Eve she gets a visit from the ghosts of Christmas past, present and future who offer her a gift—the chance to see the error of her ways and change her future.
