NEWS OF NUTRITION

WHILE ALL REGISTERED DIETITIANS ARE NUTRITIONISTS, NOT ALL NUTRITIONISTS ARE REGISTERED DIETITIANS. REGISTERED DIETITIANS MUST EARN A BACHELOR'S DEGREE, COMPLETE A SUPERVISED PRACTICE PROGRAM AND PASS AN EXAM. THEY ALSO NEED CONTINUING PROFESSIONAL EDUCATION. TO STRENGTHEN THE LINK BETWEEN THE SCIENCE OF DIETETICS AND THE WELLNESS ASPECTS OF NUTRITION, THE ACADEMY OF NUTRITION AND DIETETICS AND THE COMMISSION ON DIETETIC REGISTRATION SAY ALL REGISTERED DIETITIANS CAN NOW USE A NEW CREDENTIAL: "REGISTERED DIETITIAN NUTRITIONIST."
