

The Joys Of Teaching

(NAPSA)—Any time of the school year—even school vacations—can be a good time to enjoy a hilarious book on the trials, the tribulations and the joys of being a teacher.

In “Cartoons for Teachers” (Health Communications), about 200 cartoons from syndicated cartoonist John McPherson

show the heartfelt appreciation—and sometimes frustrated impatience—that teachers inspire. From elementary school to college and from piano teachers to sport coaches, these amusing insights can make a heartwarming gift for a favorite mentor or even for one’s self.

Just when failing the geography midterm seemed certain, Mike made an astonishing discovery.

McPherson is the creator of the nationally syndicated comic strip, *Close to Home*, appearing in more than 700 newspapers. He has published 13 collections of his work.
