Tidings Of Comfort And Joy

(NAPSA)—This holiday season, you can spread holiday cheer two special ways. Deck your halls with adorable caroler figures and help some 350 charities.

SOMETHING TO SING ABOUT: When you decorate your home with these uplifting carolers, you help spread joy around the world.

Byers' Choice Ltd., the creator of these figurines, is now celebrating its 25th year of making these delightful holiday decorations (the first were made in the 1960s by company founder Joyce Byers for her own home).

Back then, she had no idea that someday she would run a company of 180 talented artists and have a Christmas Gallery that attracts tens of thousands of visitors a year from all over the country.

Each year, the family-owned company gives about 20 percent of its profits to charity. Byers' Choice was recognized as one of the Top 10 Most Generous Companies in America and received a prestigious National Caring Award.

Each of the Carolers[®] figurines is made entirely by hand, making no two ever the same. Visit the Web site, www.byerschoice.com, to learn more.
