

## TIPS FOR TINY HOMES

A GROWING TREND, ESPECIALLY FOR STUDENTS, MILLENNIALS, EMPTY NESTERS AND SENIORS, IS TO LIVE IN SMALL APARTMENTS AND TINY HOUSES. THESE HINTS CAN HELP YOU COOK UP A GREAT SMALL KITCHEN THERE. CONSIDER HOW YOU COOK, ENTERTAIN AND LIVE. DEFINE WHAT'S IMPORTANT TO YOU. DO YOU WANT A DEEP SINK? MANY BURNERS ON THE COOKTOP?

LOOK FOR SMART STORAGE SOLUTIONS SUCH AS SINKS WITH BUILT-IN ACCESSORIES. FOR EXAMPLE, BLANCO QUATRUS STAINLESS STEEL SINKS COME WITH BUILT-IN CUTTING BOARDS AND COLANDERS. YOU CAN JUST SLICE UP YOUR VEGETABLES, THEN TIP THEM INTO THE COLANDER FOR RINSING. TO MAKE CLEANING EASIER, THERE'S A MAGNETIC CADDY THAT STICKS TO THE SIDE SO YOUR SPONGES, SOAPS AND BRUSHES ARE ALWAYS HANDY. PLUS, THE SINKS ARE THE SAME SIZE FROM TOP TO BOTTOM TO MAXIMIZE THE BOWL.

A SINK THAT'S TWENTY-SIX OR TWENTY-SEVEN INCHES IS COMPACT, BUT STILL HAS ROOM FOR POTS AND BAKING SHEETS. THE SMALL YET SPACIOUS BLANCO PRECIS [PREE-SEESE] UNDERMOUNT SINKS FEATURE THE ROCK-HARD DURABILITY OF SILGRANIT. THEY COME IN EIGHT COLORS AND A SLEEK, MODERN, SINGLE-BOWL DESIGN SO YOU DON'T HAVE TO SACRIFICE STYLE FOR SMALL SPACES.
