

## Top 10 Family Cars

(NAPSA)—Since families now come in all shapes and sizes, it's a good thing the family vehicles of today follow suit. Whereas once the typical family owned a sedan or station wagon, contemporary families can also choose among SUVs, crossovers, minivans, wagons and hatchbacks. While it certainly can be nice to have options, a wide variety of choices can make the choosing all the more difficult, so each year, the editors of Kelley Blue Book's kbb.com pool their collective knowledge and expertise to decide the Top 10 Family Cars.

Among the wealth of criteria used in the spirited judging are the characteristics that make vehicles family friendly. Safety, comfort, economy of operation, child friendliness, a reasonable purchase price and good resale value are tops in the consideration process. The editors believe all the worthy vehicles on this year's list will provide excellent service and a fine ownership experience for the families that choose to make them their own.
