

# GREAT GRILLING

## Wake Up Your Food

(NAPSA)—Want to add thrill to the grill? Beef up your steaks? A new recipe booklet gives barbecue chefs what it takes to create food that folks want to dance for.

**Grilling up something special is easier with the right kind of savory sidekick.**

For years, French's Worcestershire sauce has been a flavorful addition to stews, soups, salads, sandwiches, and subs. Now, the makers of this considerable condiment—and the Dude—want to make it even easier (and more fun) to create dishes with that special somethin'.

Filled with mouth-watering recipes and tips, the "Dude Food," booklet offers recipes for such hearty fare as Smokin' Beef Fajitas, Chicken Rustigo and Hearty Tortellini Soup.

What's more, a whole corral of tasty tips give you the low down on how French's Worcestershire sauce can make even ordinary foods wake up and dance.
